BULK EMAIL VALIDATOR

The E-mail Validator checks the validity of each e-mail for proper formatting and asks the domain e-mail server if the user actually exists and provides you the results. You can try our service free with the introductory 100 free credits. You will never be charged for emails that we can't determine if they are valid or not. After your emails are processed your credit total can rise to account for any "Unknown" results.

You have **100** available e-mail validation(s). [Add More](#)

Upload a File **Uploaded Files**

Select a **CSV or TXT** file to upload. Then click on Validate File. You will be notified via email when your entire list has been validated. You can always check the **"Uploaded Files"** tab to get the current status.
