# Things You Can't Live Without

**Bread curbs your hunger.  
Water quenches your thirst.**

**And Essential Studio 2008 Vol.1 changes your life.**

A suite of .NET components that simplifies beyond belief and performs beyond expectations, Essential Studio 2008 Vol.1 offers one of the most complete sets of AJAX-enabled ASP.NET controls around and a remarkably fast Word/Excel/PDF reporting product. And, to top it all off, each product comes with complete Vista support.

There's absolutely no better way to give your customers what they want — quickly, easily, and cost-effectively.

**Try it. You won't know how you lived without it.**
