

[Don't Get It Twisted 1](#)

Don't get it twisted. It's not about money, it's not about the fame. It's about I don't have to worry about if my little brother is gonna be able to get a new toy for Christmas. It's those little tiny things that really make up the bigger picture. So, my happiness doesn't come from money or fame. My happiness comes from seeing life without struggle.
