For further information visit UNISTAT User's Guide section 5 3 4 3D Histogram Here we provide a sample output from the UNISTAT Excel statistics add-in for data analysis.. Apr 02, 2013 3D-histogram in Excel Histogram can be both 2D and 3D By 3D I do not mean 3D bars rather there are two variables (X and Y and frequency is plotted in Z axis).. 3D Histogram in Excel with UNISTAT The UNISTAT statistics add-in extends Excel with 3D Histogram capabilities.
