The screenshot displays the CustomerReach software interface. At the top, there is a menu bar with options: File, Edit, View, Tools, Visitor, Web, Status, CustomerReach, and Help. Below the menu, there are several panels:

- Quick Text:** A panel on the left containing a list of common phrases under categories like Closings and Introductions.
- Visitors (2):** A central table showing active visitors. The table has columns for Visitor, Status, Time On Page, and Page Title.
- Visitor Tasks:** A panel on the right with tasks like 'Invite visitor to chat' and 'Open a chat window'.
- Keywords:** A panel on the right showing the keyword 'customerreach live chat' and a search result for 'http://www.google.com'.

The main chat window shows a conversation between Karen and a visitor. Karen's messages are: 'Hello my name is Karen. How may I help you?' and 'Great, I'd be glad to help. 😊'. The visitor's message is: 'Hi, I want to check the status of my order.' The chat time is 00:02:13. Below the chat window, there is a text input field with the text 'What is your order number?' and buttons for 'Send', 'Transfer...', and 'End Call'. A 'Visitor Details' panel on the right shows information for the visitor 'rrcs-24-173-143-2.se.biz.rr.com', including IP Address (24.173.143.2), Host Name, Landing Page Title, Landing Page, Current Page Title, and Current Page.
