An interesting book! I found myself learning what I had half suspected I knew but couldn't have explained for sure to somebody else.

The art was clear and meaningful and didn't obscure or overpower the words. A repetitious book! In a nice way though, that restated and confirmed what was said before, a good way to learn.. How the Internet works By Preston Gralla Publication date 1996 Borrow this book to access EPUB and PDF files.. The Internet has changed the world And, with everything from blogs to podcasts, Internet phones to video, it s still changing the world.. A beautiful book! The text was overlaid on page size graphics giving visually reinforcement to each topic.. Now, it s easy to understand how it all works! Knowledge about how the Internet works will help users to solve problems, be aware of security issues, and avoid confusion as they use the Internet.
