

The screenshot shows a Mozilla Firefox browser window displaying the Romania Roleplay website. The browser's address bar shows the URL `ucp.ro-roleplay.com/mystats.html`. The website has a header with the logo and a banner for 'New Martial Arts MMORPG' with a 'Play Now' button. Below the banner are buttons for 'Forum', 'Conectare UCP', and 'Conectare Server'. The main content area includes a navigation menu with 'Acasa' and 'Ban List', and a 'MyStats' section with buttons for 'Informatii', 'Setari', 'Factiune', 'Casa', 'Afacere', and 'Iesire UCP'. The 'Sanctiuni primite' section displays the following information:

- Ai fost banat de 0 ori
- Ai acumulat un numar de 0 warn-uri
- Ai fost inchis (ooc) de 0 ori
- Ai primit kick de 0 ori

The 'Ultimele 10 sanctiuni primite' section contains an empty table with the following headers:

Sanctiune	Motiv	Data
-----------	-------	------

On the right side, there is a promotional box with the text 'Intra in cea mai mare comunitate de roleplay!' and 'CHIAR ACUM!' followed by an 'Inregistreaza-te gratuit!' button and a link for 'Autentificare UCP'. Below this is a 'Status server: ONLINE' section with the following details:

- Gamemode: Roleplay 3.9.10
- Versiune site: 2.2.19
- Jucatori: 21 / 150

The Windows taskbar at the bottom shows the Start button, the active browser window, and the system tray with the time 1:35 AM.
