

[Windows 8 Professional RETAIL Activators \[3 Options WORKING\] Full Version](#)

A screenshot of a Windows Command Prompt window. The title bar reads "Administrator: Command Prompt". The window content shows the following text:

```
Microsoft Windows [Version 10.0.10240]  
(c) 2015 Microsoft Corporation. All rights reserved.  
D:\WINDOWS\system32>slmgr.vbs -ipk AAAAAA-BBBBBB-CCCCC-DDDDD-EEEEEE
```

A mouse cursor is visible over the command line.

[Windows 8 Professional RETAIL Activators \[3 Options WORKING\] Full Version](#)

These are 3 different activators I made because the ones up now are out-of-date already. These were tested with a retail copy and are for Professional ONLY. ----- b7178abdfb
