The screenshot shows the 'Music Library - 2' application window. The album 'Turning Stones' by Dave Dumas is selected. The interface includes a top toolbar with navigation and management icons, a main header with the album name and artist, and a detailed view area with tabs for 'Album Info', 'Web Search', and 'Playlists'. The 'Album Info' tab is active, displaying fields for album title, artist, label, UPC, year recorded, medium, and genre. A track list is shown on the right, and a comments section is at the bottom.
