### About This Game

This is a story of a very coward prince Elrick.  
The King have sent him into the journey to solve this problem during the sea adventures.

The game is made in soft pixel art style. It is a tactical puzzle.  
All characters have such parameters as: health, attack and attack range.  
You need to place your warriors on the isle in such a way to not let the enemy attack prince.  
Sometimes a help of all warriors will be needed to move one character into right position.

The goal is to lead the prince through 40 dangerous isles to reach his princess.  
Whoever has settled down on the isles – bandits, Papuans or warriors of the north, your warriors and tactics will help to dispose of an enemy.  
Go ahead! To the dream of a princess!
